The Honorable Rosa L. DeLauro  
Chairwoman

U.S. House of Representatives

The Honorable Kay Granger  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Baltimore Alliance for Careers in Healthcare Training Institute in Fiscal Year 2023.

The entity to receive funding for this project is the Baltimore Alliance for Careers in Healthcare, located at 1500 Union Avenue, Suite 1401 N. Haven St. #205, Baltimore, MD 21211.

The funding would be used to create the BACH Training Institute for a comprehensive approach to economic justice in the City of Baltimore. The target population will consist of unemployed and underemployed Baltimore City residents, especially those who have been negatively impacted by the COVID-19 pandemic. The BACH Training Institute would be a cohesive brand and project model for workforce development at a community level that offers an integrated and holistic approach in preparing participants from vulnerable populations for economic and career growth in the healthcare sector. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

John P. Sarbanes  
Member of Congress
